Mission/Vision Team Update

The Mission/Vision team met on Wednesday, May 6 via video conference to talk about the community. The issue of defining who we are trying to reach is the discussion. It was determined that the average age in Clark County is 37. The average age of most Adventist churches in North America is 60 and rising. Good news! The Adventist Community Church (us) has an average age of 43. We're close in age, now the question becomes, what do we need to do to actually reach the people out there. We begin now to turn our discussion to what the mission is. Stay tuned on our mission/vision blog on our website - www.VancouverAdventist.com.
