The Weekly Newsletter for our Church

## The Pillars Are Broken!

Have you been reading the news lately? According to a recent Newsweek, the pillars of American Christianity are no longer part of the norm of society. The article says that the number of people claim to NOT be involved with any religion (*Christian, Buddhist, Moslem, etc.*) have grown significantly in the last ten years. The basis of this article is that the Judeo-Christian values that this country was founded on, are no longer affecting the political and emotional thrust of this country. The article mirrors several recently that have called Christianity irrelevant in today's world.

Clearly, we have our job cut out for us in the church. As we seek to move forward in discovering our mission, vision, and core values for our church this reality must be addressed and must be taken into consideration. As we seek to help people become definitely devoted followers of Christ (*disciples*) we must address this trend in society. How do we repair the pillars without walking away from them? How do we help people, who have the same life-questions, and show them that the "old" answers of the Bible are still relevant to their lives today? These are crucial questions to ask and our Mission/Vision Team is investigating them - please keep praying for them.

## You Can't Out Give God.

Bob (*not his real name*) was challenged recently to give back to God more than he had been willing to return to Him in the past. He had always returned a faithful tithe, but when he learned that the tithe went to support the world-wide mission of the Adventist denomination, he thought he'd also like to support his local church.

Bob knew that his local church was feeding the homeless, helping the poor and counseling people in crisis. So, he dedicated to give another 10% towards offerings. He found out that God can do more with 80% of his income than he could do with 100%. Bob found out you cannot out give God! And, he's come to realize that every dollar he gives, goes to help the mission of the church - no matter how the finance committee spends it.

As we develop the mission, vision, and values of this church, your faithful financial support will be directed towards accomplishing the kingdom message of God.

Make a Difference!

## Mission/Vision Team Update

The Mission of the church is really found scripturally in Matthew 28:18-20. It's called the Great Commission where Jesus sends us out into the world to go and make disciples, teaching them to obey and follow all that God says. The Mission/Vision Team have begun to talk about the mission statement and that it will basically be a contemporary restatement of this gospel commission. Stay tuned for more information. If you'd like information or to give input to the process, please contact one of the pastors.
