Fort Vancouver Pathfinder Club

Countdown to Oshkosh 2009

August 6, 2009

This date should be familiar to everyone since it has been flashed on the screen several times during the course of this

fiscal year. Now that date is approaching fast, and the members of the Fort Vancouver Pathfinder Club are gearing up for this once in a lifetime trip.

In order to make this trip a reality, thousands of dollars had to be raised to pay for the tickets, food, transportation, and other fees. In the last five years, the club managed to accumulate nearly \$10,000; however, once the budget numbers were tallied the difference still needed was around \$1,000.

You can make up the difference.

Below is a list of food items the club plans to purchase for this trip. If you would like to help with the grocery shopping, bring your donations to the church. If you would like to give a cash donation instead, please mark the tithe envelope as "Camporee Menu Items".

Mission/Vision Team Update

The mission must be about reaching those who don't know Jesus and growing those who do. It involves evangelism and discipleship. Those are the two sending orders of the church. But how do you focus and motivate the church with a mission? How do you get people out of the pews and into the streets. The mission is a way to motivate people to passionately share the gospel - corporately and personally, worship God the creator - individually and corporately, and to disciple people who want to grow with God. For more information, please check the church website on the progress of the Mission/Vision Team
