## Prayer Walking

Here is a new twist on your exercise program. Why not spend the time walking praying for the various houses you pass by. You can pray for any specific problems you already know about. You can pray for them and their spiritual discovery. You can also pray for them as our upcoming Bible Prophecy Seminar begins - that they would be open to the advertising and that they would attend.

Prayer walking is not limited to the time you actually walk around your neighborhood. You can all pray while driving; praying for people as you see them. You can pray while shopping; pray for people while you stand in line at the store. You can even pray at work; pray for people you work with as you sit in meetings or work beside them.

## October 13

Please mark your calendars now for the opening night of our upcoming Bible Prophecy seminar. We are mailing to 55,000 homes in the area of the church. We are seeking to bring people in to hear the message of truth we need to proclaim. Please pray for open hearts and open minds.

Please pray for receptive minds as the advertising comes to their homes. Stay tuned for more information.

Evangelism is what the church is called to do. It is at the very heartbeat of the mission of the church. Without evangelism we will soon dry up and die. One famous preacher, John Piper says, "Go. Send. Or Disobey."

One new Christian song called a "City on our Knees" makes this call in the song - "If you gotta start somewhere, why not here. If you gotta start sometime, why not now. If we gotta start somewhere, I say here. If we gotta start sometime, I say now."

Clearly, this is a call for the Holy Spirit to act now and not later. Let us pray that God works in the hearts of our church - makes us a church on our knees. Let us ask God to do something significant today - and not wait.

## Mission/Vision Team Update

Every organization functions according to its values – ours are governed by faith, our belief system, & our prayers. As the **Mission/Vision** team sees it, these are our Core Values:

- **Community** - A life lived within a small group of believers is better lived.
- **Discipleship** - Full devotion to Christ and His cause.
- **Effectiveness** - We're seeking to do our best and do it effectively.
- **Evangelism** - Lost people matter to God, therefore they matter to us.

Let us know what you think of these by emailing the church office, or calling the church office with your ideas.

September 19, 2009

*"Now, son of man, I am making you a watchman for the people of Israel. Therefore, listen to what I say and warn them for me. If I announce that some wicked people are sure to die and you fail to tell them to change their ways, then they will die in their sins, and I will hold you responsible for their deaths. But if you warn them to repent and they don't repent, they will die in their sins, but you will have saved yourself."*
