## Mission/Vision Team Update

Every organization functions according to its values; ours are governed by faith, our belief system, and our prayers. As the **Mission/Vision** team sees it, these are our Core Values:

- **Discipleship** - Full devotion to Christ and His cause.
- **Community** - A life within a small group of believers is better lived.
- **Evangelism** - Lost people matter to God, therefore they matter to us.
- **Effectiveness** - We are seeking to do our best and do it effectively.

Let us know what you think of these by emailing or calling the church office with your ideas.

*"I myself am convinced, my brothers, that you yourselves are full of goodness, complete in knowledge and competent to instruct one another. I will not venture to speak of anything except what Christ has accomplished through me in leading the Gentiles to obey God by what I have said and done. It has always been my ambition to preach the gospel where Christ was not known, so that I would not be building on someone else's foundation."*
