Mission/Vision Team Update

Every organization functions according to its values; ours are governed by faith, our belief system and our prayers. As the **Mission/Vision** team sees it, these are our Core Values:

- **Discipleship** - Full devotion to Christ and His cause.
- **Community** - A life within a small group of believers is better lived.
- **Evangelism** - Lost people matter to God, therefore they matter to us.
- **Effectiveness** - We are seeking to do our best and do it effectively.

Let us know what you think of these by emailing or calling the church office with your ideas.
