Wayne Wentland is a certified Love and Logic presenter and currently works in the Education Department at the Oregon Conference in Gladstone. Parents are welcome, but please note the focus is directed to children ministry volunteers; i.e. Sabbath School teachers and Pathfinder leaders, etc. The seminar takes place Nov. 20-22. Ask Pastor Jeff for more details.

Community News

Kingdom Projects Continue!

Mary Hartsell, one of our newer additions to the Vancouver Adventist Community Church, readily jumped at the opportunity to participate in the My Kingdom Project. As you will recall, in the spring of this year the pastors offered \$100 to 30 people who wished to advance God's kingdom by helping people in the community in practical ways. Mary knew she would have no problem finding folks in need. In short order she would run across seven.

Mary's expenditures all involved meeting specific and immediate needs, and mostly of a physical nature. For example, there was the friend who needed a mop and Mary bought her one. Someone ran out of gas on the freeway and Mary was able to get her tank partially filled and the woman home.

She provided gas money a second time to someone stranded with two children at the Lord's Gym Church. She then bought craft supplies for their daycare center.

Mary also purchased food, socks and underwear for two more individuals in need.

The page she gave me outlining what she had done with the Lord's money included nine smiley faces. Mary had a ball! She noted this, in writing: "How I loved to spend my \$100. It was fun to do."

It is always a joy to work with the Divine. God can make a little go a long way, as He did the money given over to Mary. And it won't be until Mary is in heaven that she'll know the full impact of her help to these people. She can hardly wait!
