Local Events

☞ **Love and Logic Seminar** ~ is a well-known and balanced approach to managing children's behavioral issues. Rather than being a drill sergeant or a hovering, over-protective parent, teachers and parents are encouraged to let affordable consequences teach the lessons to the children, always accompanied with empathy and love. Wayne Wentland is a certified Love and Logic presenter and currently works in the Education Department at the Oregon Conference in Gladstone. Parents are welcome, but please note the focus is directed to children ministry volunteers; i.e. Sabbath School teachers and Pathfinder leaders, etc. The seminar takes place Nov. 20-22. Ask Pastor Jeff for more details.

Dr. Nedley teaches how to improve brain function, maximize IQ in children, increase energy, boost concentration, engage in healthy sleep habits, improve physical performance and gain renewed hope. In addition to the essential information on lifestyle and diet, Nedley also discusses the benefits and risks of psychiatric counseling and drug medications.
