## Community News

### AWESOME RESPONSE!

We've had a great turnout at our seminar this last week. It was incredible to see the hunger and thirst for the straight word of God as people flocked into the church on the opening Friday night and who returned night after night for the seminar.

Pastor Halversen is doing an excellent job talking through the issues of prophecy and showing how they originate from Jesus and the message of the gospel. If you haven't yet attended, you should come this week. Halversen has tremendous graphics that illustrate his message as well as relevant reminders of why the scriptures have been so central in our society for so long.

Please check the back of the bulletin for topics that are coming up this week. Please pray for the rest of the seminar. Pray for the people coming. Pray for the Holy Spirit to filter in and be in charge of all people involved. Pray for submissive hearts. Pray for Richard Halversen's health. Pray for the staff at the seminar. Pray for God's will to be done.

God is doing something mighty in our midst. You need to see it for yourself and we invite you to come out tonight to hear a great and powerful message of the gospel.
