## Community News

In 1992, a Los Angeles county parking control officer came upon a brown El Dorado Cadillac illegally parked next to the curb on street sweeping day. The officer dutifully wrote out a ticket. Ignoring the man seated at the driver's wheel, the officer reached inside the open car window and paced the \$30 citation on the dashboard. The driver of the car made no excuses. No argument ensued and with good reason; the driver of the car had been shot in the head ten to twelve hours before but was sitting up, stiff as a board, slumped slightly forward, with blood on his face. He was dead. The officer, preoccupied with ticket writing, was unaware of anything out of the ordinary. He got back in his car and drove away. Many people around us are "dead in transgressions and sins." What should catch our attention most is their need, not their offenses. They don't need a citation; they need a Savior.

It's why we encourage you to stop and worship your way through scripture in the LIFE Journal. You will notice more about life, you will notice people who aren't "alive" around you and you will have inspiration to share with them to inspire them towards the Kingdom. As a Christian we can't afford to float through life without noticing the people around us.

Pray for them, encourage them, and prepare your heart on a daily basis in the Word.
