## Community News

The Mission of the Adventist Community Church is to Reach Deep in Discipleship, Reach Out in Evangelism and Reach Up in Worship; reaching people with the message of Jesus. It is our goal to help people understand that the Bible is relevant, real and will affect their relationships.

Reaching Up in Worship is what we do each Saturday morning as we seek to connect to God - in corporate worship. But reaching up also discusses the idea of family worship at home and personal worship. This is one of the reasons we talk so much about the LIFE Journal. You can find out more about it by going to our website ([www.VancouverAdventist.com](http://www.VancouverAdventist.com)) and clicking on the LIFE Journal link.

Reaching Deep in Discipleship is about the idea of getting in a Community Group where people will help keep you connected to Jesus, share how they are following Him on this journey and challenge each other to take the next steps in their spiritual journey. If you want more information about our Community Groups, see our website.

Reaching Out in Evangelism is found in a holistic evangelism plan that starts with making redemptive friendships with people through our involvement in seminars, helping to introduce people to the Jesus we love and care for. If you'd like to get more involved in our Reach Out activities, please see Pastor Danny to find out what we've scheduled next, or how you can get involved from your home.

Reach Deep, Reach Out, and Reach Up - it's the mission of reaching people for Jesus! You can be involved too!
