Community News

Seminar Update

The prophecy seminar is now officially over. Many people decided on baptism and joining our church because of professing their faith in the things this church teaches. It was an exciting time.

Now, we're headed into several options for the future. A "Bible Marking" class begins on May 1, a "Discoveries in Daniel" class begins this Wednesday, there are quite a few Community Groups getting re-started or started, and there are always the personal growth issues of the LIFE Journal to get involved in.

Welcome to our new members, and we want to officially thank Richard and Mary Halversen for a great seminar and for their hard work. God has truly blessed us through your ministry. We wish you well and beyond.

Schools Update

Most of you know that we help support two Christian schools in the area - Columbia Adventist Academy (grades 9-12), and Meadow Glade Adventist Elementary School (grades 1-8). Both of these schools offer the finest in education and with a quality Christian perspective.

You can find out what's going on at the schools by checking our church calendar at www.vancouveradventist.com. Or you can always call the church office to get their contact information. If you'd be interested in sending your child to one of these schools please feel free to talk with one of the pastors about it.
