Our Mission

Community News

An opportunity has arisen to preach the word to our friends in Kisii, Kenya. Through the Share Him organization, the Adventist Community Church has chosen to undertake a challenge that will be both spiritually fulfilling and life changing, not only for those we seek to preach to, but for ourselves as well. Our mission will begin August 11, 2010 and continue through the 29th. Our challenge is to provide a life saving message to the people of Kisii, and to draw more people into the Kingdom. Our immediate challenge is funds. There are a few people who would like to participate, but have no funds to do so. We would appeal to you, our church family and friends, to pray about what you can do to help make this mission succeed. Your donation of time, money and prayers would be most appreciated. We cannot be successful without your help. So please, take a moment and determine how you can make this trip a success, not only for those wishing to preach and participate, but also to those we wish to preach to. It's time to change lives....
